

## **REMARKS**

Applicant appreciates the indication in the FINAL Office Action that claims 1-4, 6-11, 13-15, 17-18 and 20 contain allowable subject matter. Applicant understands that the previous after-FINAL amendment was not entered because of issues with claims 11, 15, and 18, which have been identified in the Advisory Action mailed on September 8, 2006.

In response, Applicant submits this amendment. The foregoing amendments (annotations) are made with respect to the previous listing (submitted before the after-FINAL amendment), as the last submission was not entered. In essence, the present amendments repeat the prior amendments, except with respect to claims 11, 15, and 18, where the present amendment are made to avoid the new issues identified in the Advisory Action.

In this regard, claims 10, 14 and 18 are amended to correct the typo of the word "pyrollidone" to "pyrrolidone".

Claims 1-4, 6-11, 13-15, 17-18 and 20 were rejected in the FINAL Office Action under 35 USC §112, second paragraph, as being indefinite. All terms and indefiniteness issues are properly defined and/or corrected in this amendment, especially in claims 11, 15, and 18.

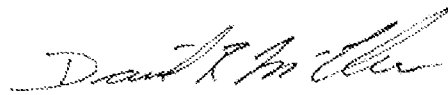

Based on the re-submitted amendment, the Applicant believes that all the pending claims -- i.e., Claims 1-4, 6-11, 13-15, 17-18 and 20 are now in condition for allowance. Significantly, the Applicant has been careful with the present amendment to not make any amendment that would raise any new issues for consideration.

Accordingly, all amendments should be entered, and this application passed to issuance.

If, in the opinion of the Examiner, a telephonic conference would expedite the examination of this matter, the Examiner is invited to call the undersigned attorney at (770) 933-9500.

No fee is believed to be due in connection with this response to Office Action. If, however, any fee is believed to be due, you are hereby authorized to charge any such fee to deposit account No. 20-0778.

Respectfully submitted,
